2020 Pacific Rim Championships Selection Process
MEN’S ARTISTIC GYMNASTICS
JANUARY 2020 — FINAL
1.0 INTRODUCTION

The purpose of this document is to set out the process and criteria that will be used by the Men’s Artistic Gymnastics (MAG) Program of Gymnastics Canada to outline a clear and fair process of how athletes and coaches are identified and selected to the 2020 Pacific Rim Championships taking place April 17-19, 2020 in Tauranga, New Zealand.

1.1 OBJECTIVES

The objective of these processes and procedures are to nominate the best possible delegation for these championships who will be capable of achieving the following target:

• Place in the top two teams
• Provide international competition opportunities for national team athletes as part of the MAG high performance program

1.2 DELEGATION SIZE AND FINANCIAL CONSIDERATIONS

The maximum number of athletes in the delegation is six. The competition format is 6-5-4 for qualifications. In the year of the Olympic Games, teams may be composed of any combination of Juniors and Seniors. Maximum two athletes per country in a final.

The Canadian MAG delegation will be composed of:

• 6 athletes
• 2 team coaches (NTHC may be included as team coach)
• 1 therapist
• 1 team manager (if necessary)

This will be a cost-shared event. Gymnastics Canada will attempt to minimize costs for all team athletes and coaches.

For additional coaches, Gymnastics Canada will coordinate all travel arrangements. Accreditation and access will be dependent on availability but GymCan will do everything possible to maximize personal coach access to athletes for the Championships.

March 20-21 UCIC – Calgary, AB

2.0 DECISION MAKING AUTHORITY

The Men’s Artistic Gymnastics Program Manager (PM-MAG) and the MAG National Team Head Coach (NTHC), in consultation with the Men’s Program Committee (MPC) are responsible for developing and approving the selection process and procedures for the Pac Rim Championships. The process incorporates feedback submitted by the MAG program athlete representative and involved athletes and coaches during a period of consultation prior to its final publication.

The nomination of the athletes and coaches will be the responsibility of the MAG Selection Working Group (SWG). The SWG will confirm that the athletes were nominated according to the process laid out below. The Working Group will be comprised of:
- Program Manager – Men’s Artistic Gymnastics (PM-MAG) (Chair);
- MAG National Team Head Coach (NTHC);
- MPC appointed judge/coach representatives
- MAG Athlete Representative

NT coaches with athletes being considered for selection will not be eligible for membership on the SWG due to conflict of interest.

4.0 TEAM SELECTION

Pre-selection consideration to the 2020 Pac Rim team may be given to athletes who have met any of the following criteria, and are not participating in the 2020 Pan American Championships:

- They have qualified a nominal quota spot to the 2020 Olympic Games
- They were a member of the 2019 Senior World Championship team
- They are ranked in the top 10 on at least one apparatus in the 2019-2020 FIG Apparatus World Cup rankings (as of the date of publication of this document)
- They are named as the non-travelling alternate for the 2020 Pan Am Championships

The remaining team members (Junior or Senior) will be nominated by the SWG using results from the 2020 UCIC competition based on the following criteria:

- Ability to contribute to the balance of the team, ensuring four scores on each apparatus while helping to strengthen the team’s weaknesses and maximize potential team score
- Ability to contribute to the stated objectives in Section 1.1
- Current health status of the athlete as determined by a member of GymCan’s IST

4.1 RESERVE ATHLETES

The NTHC may identify up to two reserve athletes for the Pacific Rim Championship team although there is no obligation to name a reserve. The nomination of a reserve(s) may take place at a later date than the team selection.

The reserve athlete(s) will not have the status and privileges of a team athlete, but may be obligated to train and travel with the team to any pre-event training camp.

4.2 DETERMINATION OF ATHLETE’S COMPETITIVE APPARATUS AND START ORDER

Every effort will be made to notify the team of their competitive apparatus and start order as early as possible, but the final determination will be ongoing until the deadline to submit. The NTHC will consult with the athletes, team coach(es), personal coaches, and assigned judges in deciding the start order.

As per FIG regulations, the competing team and order of competition on each event shall be decided no later than 24 hours prior to the competition.

5.0 ATHLETE VERIFICATION

Verification of athletes will be on-going until the date of departure for Pacific Rim Championships. Athletes and coaches will be notified in advance of verifications by the NTHC, who will also communicate the specific expectations for each athlete. At the time of verification, the athlete must not be injured or ill, in a way which prevents them from competing at the level expected of an athlete preparing for the Pacific Rim Championships.

The NTHC, in consultation with team coaches, may choose to replace an athlete on the team if, following the verification, or at any time up to the date of departure:
- the athlete no longer meets the eligibility criteria; and/or
- the athlete is unable to meet the expectations stated for the verification; and/or
- they omit to provide the required information in case of illness or injury as stated in section 5.1
5.1 INJURIES

An athlete injured or ill at any time leading up to the selection, or once the team has been selected, must provide an official medical report/certificate to the PM-MAG as set out below. Failure to do so may result in the athlete's name being withdrawn from the process or team.

**Step 1.** The athlete and their club's head coach must inform the MAG IST Lead and Program Manager by email, with acknowledgement or a read receipt from the PM-MAG **within 24 hours**, if their athlete is injured or ill in a way to jeopardize their participation or the quality of their performances at either competition and provide the following information:
- date when the injury/illness occurred;
- means taken to have the injury/illness evaluated by a physician or specialist;
- date at which a written detailed report will be provided.

**Step 2.** The athlete and their club's head coach must provide the following typewritten information **within 5 days following step 1:**
- detailed nature of the injury (documented by physician, not by therapist) including whether or not this is a new, overuse, or chronic injury;
- ability to pursue full training and to compete (all apparatus/some apparatus), as recommended by the physician or medical specialist;
- recovery/rehabilitation measures;
- recommendation(s) regarding pursuing training and ability to train and/or compete as expected;
- expected date for return to partial (specify) and complete training.

The athlete, coach, athlete's medical team (including IST Lead), and NTHC will work together to formulate a return-to-play schedule and training plan for the athlete.

**It is not acceptable for any athlete to arrive at a camp or competition with an unreported injury, regardless of when the injury occurred. If a condition is pre-existing, the IST member or Head Coach for the assignment or event should be notified in advance of travelling. Failure to immediately report injuries or significant illnesses to GymCan may result in NT status being withdrawn.**

5.2 MEDICAL EXEMPTIONS

No medical exemptions will be considered for the 2020 Pacific Rim Championships. Athletes are required to participate in the selection process to be considered for team nomination.

5.3 ATHLETE SUBSTITUTION

Following the athlete selection and verifications, the following conditions must be met up until the deadline for official submission of the Pacific Rim Championships starting order:
- the athlete is still eligible; and
- the athlete is healthy and able to compete, and
- the athlete is able to perform at the level that warranted their selection; and

The NTHC, in consultation with IST staff, has the authority to exercise their discretion in the case of an athlete who is slightly injured.

**Failure to meet one of the above conditions as assessed by the NTHC may result in the athlete being replaced by the reserve.**
If based on the above, an athlete cannot participate in a competition due to injury or other unforeseen circumstance then the NTHC, in consultation with the athletes, team coach(es), the personal coaches, the IST member, and the PM-MAG, will determine if a substitute or reserve member of the team should replace that athlete. If time permits, and it is deemed to be beneficial for the team a change will be made to the official coaching staff for the team.

**6.0 SELECTION OF COACHES**

**6.1 SELECTION**

Gymnastics Canada will confirm the selection of the coaches at the same time as the athletes. Coaches must meet the eligibility as set out above (section 3.0) and the requirements set out within the National Team Handbook.

The NTHC will be one of the team coaches and will provide direction to the team at the Championships. The second team coach will be the personal coach of any athlete who has qualified to Tokyo 2020. In the event that the NTHC is unable to attend the competition, a replacement team coach will be named following UCIC.

**6.2 SUBSTITUTION OF A COACH**

Substitution of a coach with another coach may take place if one of the following situations occurs:
- a coach no longer has an athlete on the team;
- a coach is not meeting the expectations associated with the roles, responsibilities, and tasks of a coach as assessed by the MAG NT Head Coach and the PM-MAG;
- a coach has missed scheduled activities - including meetings and related GymCan promotional activities during the preparation camps unless exempted by the MAG NT Head Coach and/or the PM-MAG.

Substitution is possible within the parameters set by the FIG and GYM CAN.

**7.0 ANNOUNCEMENT OF SELECTION OF ATHLETES AND COACHES**

The official announcement of team selection is the responsibility of Gymnastics Canada. All internal verbal or written communication to athletes, coaches, or member associations regarding team selection is considered an “unofficial notice” and is NOT for public distribution. Official notice of team selection occurs when GymCan provides a formal public “release” announcing the team selection, or when GymCan partners with a multi-sport organization (i.e.: Canadian Olympic Committee, Commonwealth Games Canada, U Sport) to formally announce a team.

**8.0 RECONSIDERATION, INTERNAL REVIEW, OR APPEAL AND MODIFICATION TO THE PROCESS**

**8.1 RECONSIDERATION**

An athlete who is in disagreement with a decision made in the application of the process may request reconsideration by the NTHC. The request must be made in writing no more than two working days from the day of unofficial circulation of the decision. It must include the rationale supporting the request and the alleged errors in the application of the process. The NTHC will then review the request and make a decision. The NTHC shall give written reasons for the decision to the athlete within two working days.
from receipt of the written request. Coaches and athletes agree to abide by the decisions made once the reconsideration period or process has passed to ensure a positive team atmosphere.

8.2 INTERNAL REVIEW/APPEAL:

A request for review or appeal will be dealt with according to Section 39 – Appeals of the GymCan Policies and Procedures Manual in effect at the time of the dispute (http://GymCan.org/uploads/content/wag_technical/section%2039.pdf). The request must be made no more than two working days following the decision rendered as a result of a request for reconsideration as set out in 8.1. It must include the rationale supporting the request and the alleged errors in the application of the process.

8.3 MODIFICATION TO THE PROCESS

The NTHC, in consultation with the MPC, reserves the right to make changes to this document to ensure the identification of the best delegation possible for the 2020 Pacific Rim Championships in case of:
- major change to the information provided by FIG;
- unforeseen circumstances beyond the control of GymCan;
- a situation which impacts any step of the selection process and prevents the NTHC from fairly applying the process as written. The NTHC may take into consideration any factor or circumstance they deem relevant.

Any changes to this document must be endorsed by the CEO of Gymnastics Canada and will be communicated directly to the coaches and athletes involved in the process.

9.0 DISCIPLINARY PROCEDURES

Failure to comply with FIG and/or GymCan rules, regulations, policies, or directives will be addressed by the GymCan MAG NTHC and/or the GymCan CEO who will follow with proper action or sanction before, during and/or after the competition.

The nature and extent of the infraction will determine the severity of the sanction. In each case, a due and fair investigation will be conducted and an opportunity for defense offered to the respondent(s).

Sanctions could include but are not limited to: verbal warning or reprimand, written warning or reprimand, suspension from some team functions or activities during the competition, and early return to Canada.

After the competition, sanctions could include but are not limited to: written warning, written reprimand, suspension of international representation/participation on behalf of Canada, National Team benefits and services, and suspension of access to athlete or coaching or judging support funding and services including but not limited to athlete, coach and/or club funds, coach’s recognition funding, and international achievement coach’s recognition funding.

10.0 UNFORESEEN CIRCUMSTANCES

In situations where unforeseen circumstances do not allow the Team selection criteria to be fairly and objectively applied, Gymnastics Canada’s MAG NTHC and the GymCan CEO will rule on an appropriate course of action.
