National Team Selection Criteria

2020-2021

Final (January 20, 2020)
1.0 INTRODUCTION

National Team (NT) status is provided to athletes in three High Performance categories: Novice*, Junior, and Senior. Recognition as a NT athlete or coach is conditional to the athlete, their coach(es) and Club, signing and observing the respective NT Agreement.

*Novice athletes in their final year can be named Espoir only. Full NT status is reserved for athletes in Junior and Senior who are eligible for a FIG license and can represent Canada internationally.

National Teams are identified following the Canadian Championships but may be amended periodically throughout the year.

2.0 ELIGIBILITY OF ATHLETES

An athlete is eligible for National Team status if:

- they are a Canadian citizen or have permanent resident status and are eligible to compete internationally on behalf of Canada;
- they are available and committed to take part in the NT program;
- the athlete, her club and her coach(es) have signed and returned the Athlete and Coach National Team Athlete Agreements by the set deadline;
- they competed at the 2020 Elite Canada and the Canadian Championships in the Junior or Senior categories, unless ill or injured in which case a medical certificate is required, and/or excused by the PM WAG or NTL;
- they have been identified by the National Team Lead and approved by the National Team Selection working group, on the criteria listed below.

The National Team Leads are: David Kikuchi (Senior) and Lorie Henderson (Junior/Novice).

The status of National Team member is given to athletes who have demonstrated the COMMITMENT, the ABILITY and POTENTIAL to:

- excel at the international level;
- provide a significant contribution toward the achievement of the WAG Program performance objectives.

3.0 NATIONAL TEAM SELECTION

The number of athletes named to the National Team may vary from year to year. Athletes who are named to the national team will have been assessed against the circulated WAG Program targets and expectations for D score as well as final score. Program targets are published in selection criteria and guidelines are also included in section 2 of the WAG Technical Regulations.

Athletes named to the National Team are expected to have the ability to achieve podium performances internationally at either the junior or senior level.

The National Team list is published following Canadian Championships and Elite Canada. The status of National Team athlete is normally valid for the period stated on the list. However, athletes may from time to time be removed or added to the NT list based on the criteria listed in section 5.0. The name of an athlete who retires during the gymnastic year is deleted from the NT ranking list. An athlete who is no longer carded can also be removed.
The National Team Leads will nominate athletes for selection to the Working Group. This working Group will be named annually and will be composed of the WAG PM and two members appointed by the WPC. The 2020-2021 Working Group is:

- Amanda Tambakopoulos, PM-WAG
- Kathy Stoesz - member of the WPC and Brevet Judge
- Brittany Rogers - member of the WPC and member of the Athletes Commission

National Team status is conditional to National Team agreements arriving at the GymCan office by the set deadline. The rationale for all NT nominations must be submitted by the NTL to the Program Manager who will confirm the nominations with the working group and CEO before they are made official.

4.1 REQUEST FOR CONSIDERATION

Following the distribution of the NT list, a coach may submit a request for consideration of an athlete who they believe deserves to be named to the National Team. Such a request for consideration will require justification for the athlete based on the performance expectations set out for the athlete's level for the current year. Such requests will be reviewed by the PM, NTL within two weeks of the request.

5.0 CHANGE IN STATUS

The status may be withdrawn, suspended, placed on hold or the athlete placed on probation, by the National Team Lead at any time if the athlete:

- is no longer eligible or is no longer carded;
- leaves the National Team program to compete for an education institution in the USA and forfeits HP status;
- is no longer performing at the level or training in the environment which warranted selection to the National Team;
- does not abide by:
  - the GymCan Code of Ethics, Code of Conduct, and Harassment Policy;
  - the FIG, Sport Canada, COC, CCES, and GymCan/WAG policies, regulations and directives.

The process which may lead to an athlete being placed on probation or the status of NT member withdrawn may include the following steps:

- a discussion with the athlete and their coach(es);
- a letter sent by Gymnastics Canada to the athlete and their coach(es) stating issues or concerns including the rationale for such evaluation, the expected improvements, and the final evaluation process;
- a final evaluation conducted by the National Team Coach or designate according to terms set;
- the final findings and consequences communicated by the National Team Coach or designate to the athlete and their coach(es) in writing.

Depending on the nature of the problem or failure, it is not mandatory for Gymnastics Canada to follow every step.
6.0 ANNOUNCEMENT OF SELECTION OF ATHLETES AND COACHES

The official announcement of team selection is the responsibility of Gymnastics Canada. All internal verbal or written communication to athletes, coaches, or member associations regarding team selection is considered an unofficial notice and is NOT for public distribution. Official notice of team selection occurs when GymCan provides a formal public release announcing the team selection, or when GymCan partners with a multi-sport organization (i.e.: Canadian Olympic Committee, Commonwealth Games Canada, U Sport) to formally announce a team.
