“Pairs Competition”

Perfect for ‘Event Specialists’
Eligible for Levels 6-10 and Masters Age 9+

The “Pairs” competition is a tradition at Spring Cup. This event is a great way to end your competitive season with low stress and LOTS of fun!

It’s the end of the season. Are you tired of training for all 4 events? In the Pairs Event you don’t have to! Pick a partner and only train for 2! Do you excel on some events more than others? Are you almost ready to move up a level, but not quite sure how you’ll do? You should enter the PAIRS COMPETITION! You can partner up with someone in your level and you each compete your 2 best events. Maybe one of you happens to be great at vault and bars while the other excels on beam and floor. What a perfect combination! Do any of your events excel so much that you could make the requirements in a level higher than you usually compete? You can team up with someone in a higher level and try your new skills on that event! Does it sound too good to be true? No way! It’s going to be a great event!

A FEW NOTES:

• Age categories will be dependent on registration. However, if one gymnast is 9 years old and the other is 14, they must compete in the older age category.

• You may compete with an athlete from a lower level. However, they must be moving up to your level to compete.

• You may compete on any 2 combinations of events (vault & bars, vault & floor, beam & bars, etc.)

• All 4 events must be competed, i.e. you can’t both compete on the same two events in one pairs team. As well, it must be 2 and 2 not one athlete competing one event with the other athlete competing 3 events.

• The two partners will compete as a team. There will be event awards and all-around awards (where each partner will receive the all-around award!)

• The rules will follow all GO standards for every level. The only catch is that you must compete in your 2015-2016 competitive level or higher.

• Registration will be $55 per athlete and will be on a first-come-first-served basis.

End your competitive season on a high note and try something new... get ready to move up to the next level!
